BMI GLOBAL SCHOLARSHIP SUMMIT 2018

INTRODUCTION

The BMI Global Scholarship Summit took place on May 8th & 9th at the Grange Tower Bridge Hotel in London.

Over 70 heads of international scholarship organizations and senior staff that manage public & private training programs attended the event. They met education institutions from around the world to discuss which organizations and institutions will receive their students, train their staff and to develop partnerships.

Following the highly successful format of other BMI workshops, this summit conducted high-level private meetings with organizations who send and/or fund significant numbers of individuals for overseas study or training each year.

Additionally, participants had the opportunity to meet additional organizations during an extensive program of networking functions including lunch, coffee breaks and a spectacular cocktail reception and Gala Dinner.

TESTIMONIALS

"Great event, well planned and executed. Met with existing and potentially new partners and anticipate that good results will come from this. This is my first event geared to Government sponsors, but organization, timing, and location were perfect. Would attend again provided there are different funding bodies present."

Robert Finlayson - Manager - Partnerships and Pathways
Carleton University

"The Summit has been so useful, we are enthusiastic about the meetings and the opportunities that we have to work on. Twenty-five minutes are a perfect time to meet."

Chiara Tranquilli - International Office - Head of Recruitment unit University of Rome Tor Vergata

"The appointment system and website were very straightforward and effective. The number of organizations was impressive and the majority of the meetings went well."

Michael T. Smith - Director, ESL Services
The University of Texas at Austin

"The event was very well organised with very good scholarship bodies to meet with. The only downside was not being able to meet all of the organisations I wanted to due to scheduling conflicts. BMI staff were very helpful and friendly. Overall, a very good event."

Judith Cooke - Regional Manager of the Americas
Liverpool John Moores University

"All in all a great event, thank you for organising and your hard work!"

Elizabeth George - International Scholarship & Sponsors Manager
University of Bristol
